RE: HPA # 19-322 915 East Capitol St SE, permit/demolish and reconstruct rear addition, no change in footprint

Dear Chairperson Heath:

At a regularly scheduled, properly noticed, meeting on May 14, 2019, with a quorum present, Advisory Neighborhood Commission (ANC) 6B voted 9-0-0 to support the applicant's above-referenced request.

ANC 6B believes that the design elements of the project are consistent with Historic Preservation requirements.

We understand this case has been pulled from the agenda of the May 30 meeting and will work toward approval at the staff level. We still write this letter because ANC 6B wanted its formal support to be noted for the record.

Please contact Commissioner Corey Holman, ANC 6B's Planning and Zoning (P&Z) Committee Chair, at 301-664-4132 or 6b06@anc.dc.gov if you have questions or need further information.

Sincerely,

Chander Jayaraman
Chair, ANC 6B
