RE: Marine Barracks Washington Building 8 Window Replacement

Dear Ms. Darsie:

As a consulting party to the Marine Barracks Washington Building 8 MOA, Advisory Neighborhood Commission 6B welcomes the opportunity to review the planned window replacements in Building 8.

ANC 6B has no substantive comments on the window replacement, noting we appreciate the efforts taken to recreate the history windows and the extensive historical narrative and photos included in the submission.

While ANC 6B has no comments at this point, we want to advise that residents along 9th Street SE were provided with the window replacement documents but did not provide ANC 6B with any feedback. We look forward to continuing to facilitate a positive relationship between MBW and the surrounding residents.

At a regularly scheduled, properly noticed, meeting on January 11, 2022, with a quorum present, Advisory Neighborhood Commission (ANC) 6B voted unanimously to send this letter.

Please contact Commissioner Kirsten Oldenburg at 6B04@anc.dc.gov or 202-546-8542

Respectfully,

Corey Holman
Chair, ANC 6B
